

To access the csdo.org server with the FirstClass client -

- Click on the FirstClass icon on your doc (Mac) or use the shortcut from your Desktop (Windows);
- Click on the button next to Advanced in the middle of the

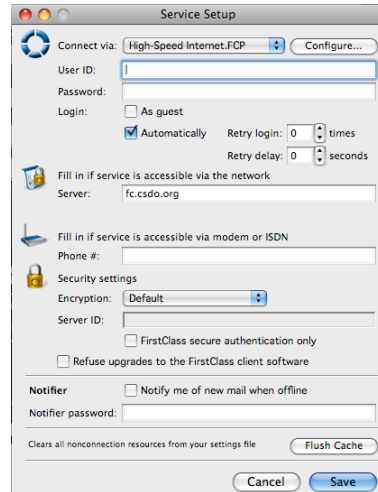

screen→

- Click on the Setup button on the right of the screen.

- Locate the Server field on the Setup screen.

- Enter fc.csdo.org
- Click on Save at the bottom of the screen.
- Enter your login ID and default password.
- Enter your new password when prompted.
- You should now see your desktop in FirstClass.
